A910

Android Mobile Terminal

PCI PTS 5.x Certified I Fast Thermal Printer I 5-inch Capacitive Touchscreen 5 Megapixels Camera I High Capacity Battery I PayDroid Powered by Android PAXSTORE Compatible

Powered by Android

Supported by the PAXSTORE open software distribution platform, within which payment service providers create and manage their own independent appstore marketplaces.

The A910 is a new generation PCI PTS 5.x and NFC contactless certified smart mobile terminal with a state of the art processor and PayDroid powered by Android 6.0. With inbuilt 4G, WiFi and Bluetooth connectivity and a high capacity battery, the A910 keeps you always connected, ensuring peak performance during business hours.

The A910 fits comfortably in the hand and the stunning high definition 5-inch touchscreen display offers a graphical user interface way superior to traditional POS terminals. The A910 has an inbuilt camera with LED flashlight which can read 1D and 2D codes.
